Trying to FIND a fun ADVENTURE?

One hundred acres of Wisconsin forests and prairie invite you to go on an adventure, socialize, expand your knowledge, and find space to relax.

Scavenger Hunt at LGZA

This app-powered adventure sends players all over our trails! Players engage in trivia and photo challenges, as well as physical scavenger hunts.

Three teams compete to finish the challenges first and receive the highest amount of points. Cooperation is used in each team as it divides again into five smaller cohorts to help achieve the challenges.
