Explore, Discover, Adventure!

Enhancements for Youth Team Building

Wilderness Skills

Up to 2 skills covered
3-hour experience
\$15.00 per participant

Learn multiple fire building and starting techniques, including the bow drill.

A variety of optional activities include competitions to burn through a string before another team, or boil water for hot chocolate.

Shelter Construction

Learn common shelters and useful knots. Then build your own shelter!
Try your hand at traditional shelters, using only natural materials, or use tools to create camping shelters.

Immerse your group in fun and functional new skills!

Compass Hike

Learn basic compass skills with hands-on practice. Put your new learning of navigational skills to the test on a hike along our trail system to find hidden items!

Survival Skills Game

Learn about wilderness survival skills used by traditional peoples in Wisconsin's environment, everything from shelters to medicinal plants.
Then play a game to test your new knowledge.

Guided Hikes

1.5 hour experience \$5.00 per participant

Adventure Course Construction Hike

Traverse our trails with a guide to learn about the science and engineering behind creating an adventure course and the history of ours.

Pairs perfectly with a zipline tour after the hike!

Escape the planet!
Imagine the Sun is the size of a basketball. How far away is everything else in the solar system? Discover all the astronomical bodies that orbit our Sun. on our scaled planetary hike.

Scavenger Hunt

Recommended
2-hour experience
\$10.00 per participant

App-Powered Adventure

Players engage in trivia and photo challenges, as well as physical scavenger hunts while hiking our trails. Up to three teams compete to finish the challenges first and receive the highest amount of points. Cooperation is used in each team as it divides again into up to five smaller cohorts to help achieve challenges.
